Property Tax Freeze Proposal

The House was in session Thursday, September 24 and considered another proposal to freeze property taxes. In fact, Representative Bradley (D-Marion), the sponsor of [HB 685](#), has introduced the same proposal several times. On Thursday, the House approved an amendment that would enact a permanent property tax freeze on all taxing districts, including home rule units, beginning with the 2016 levy year. Property tax levies would only be able to increase with the approval of local voters. The House also considered an additional amendment to include labor concessions, but the amendment failed by a vote of 0 to 60. As such, HB 685, as amended by HAm 1, is a stand-alone permanent property tax freeze. The bill was not called for a final vote and is currently on 3rd Reading in the House. The Conference lobbyist reports that the Governor's position has not changed and he is expected to veto the bill if it makes it to his desk. This bill appears to be part of the ongoing stalemate between parties. Conference OPPOSES.

BIMP

Representative Franks (D-Woodstock) has filed a Budget Implementation Bill (BIMP) for FY 2016 and FY 2017. [HB 4300](#) would raise taxes on employers by an estimated \$3 billion and contains more than \$1 billion in spending cuts and lottery growth. Among its many provisions, the bill also imposes a 10% cut of Local Government Distributive Fund (LGDF) revenue beginning February 1, 2016. HB 4300 has been referred to the Rules Committee.

Legislative Calendar

The state is almost three months into the fiscal year which began on July 1, 2015, but there still appears to be no sign of progress on a budget. The Senate is scheduled to return on Tuesday, October 5, while the House does not return until Tuesday, October 20.
